

Remarks

Claims 1 and 15-20 have been canceled without prejudice to pursuing them in a continuation application. Claims 2, 7-9 and 11-14 are pending. Applicant appreciates Examiner's allowance of Claims 2, 7-9, and 11-14. Since only the allowed claims are pending in the application, it is submitted that the application is now in condition for allowance.

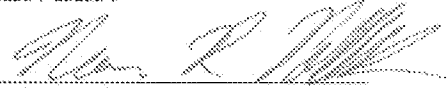

CONCLUSION

In view of the cancellation of claims 1 and 15-20 made herein, it is submitted that the Examiner's rejections have been mooted and should be withdrawn. The application should now be in condition for allowance.

Should any changes to the claims and/or specification be deemed necessary to place the application in condition for allowance, the Examiner is respectfully requested to contact the undersigned to discuss the same.
